ACADEMY OF THE SACRED HEART | BERCHMANS ACADEMY

Athletic Registration

At Schools of the Sacred Heart, we believe the experiences and skills developed through athletic participation offer students the chance to further explore their talents and interests. Life skills, such as leadership, camaraderie, dedication, and teamwork are built within the framework of Catholic values and sportsmanship.

As we prepare our athletic budget for the upcoming school year, it is essential that we accurately estimate the number of students who will participate in our athletic programs. If your child will be joining one or more of our teams next year, we would like you to make the commitment to support that endeavor. Your financial investment will allow us to budget appropriately for such expenses as transportation, uniforms, coaching stipends, and a host of other expenditures. All of these expenses are necessary to operate an athletic program. Not only do we offer a wide variety of sports but we also have multiple levels --- varsity (grades 5-12), sub-varsity (jv-grades 5-11), and grades 5-8 for a number of those teams.

Please list your child(ren) who will be participating on an SSH athletic team and indicate, using the abbreviation(s), the sport(s) to which he/she intends to participate. Athletic activities are available depending on participation.
